## Alzheimer's & Dementia Care Seminar

*Take the path to Certification as a  
Certified Dementia Practitioner (CDP)*

Seminar Dates | December 9, 2013 • December 11, 2013 • December 13, 2013

## Alzheimer's & Dementia Care Seminar

This is a required seminar for those pursuing certification as a Certified Dementia Practitioner CDP and who qualify for a CDP or just come for the education.

This program is a must for all health care professionals who provide services to residents with dementia. There is a continuing need for caregivers who are trained to provide appropriate, competent and sensitive direct care to residents who have dementia. Following successful completion of this program, attendees will be required to submit an application which will be in the training manual that is given to you at registration. Then to comply for certification the requirements are:

- Be a Certified or licensed health professional or Masters/PHD, high school diploma with letter from administrator/copy of state regulation for their position.
- Complete an Alzheimer and dementia seminar by an approved NCCDP instructor such as this program with Certificate of Attendance.
- Must have three years' experience in a health care setting.
- The fee for certification is \$100 and is included by attending this WHCA/WiCAL training seminar.

### Objectives:

Upon completion of this program, participants will be able to:

1. Explain what dementia is and how to care for a person with dementia;
2. Identify common causes of aggressive, repetitive and sun downing behaviors;
3. Describe behavior/care interventions that may be used to prevent or reduce difficult care situations;
4. Describe alternative activity interventions;
5. Demonstrate new communication techniques; and
6. Discuss techniques to handle personal care.

**Audience:** This program is appropriate for direct care staff, nurses, social services, activities, dietary, administrators, directors and managers in **nursing facilities and assisted living facilities.**

**Speaker:** Betty Brunner, RN, BS, NHA, CDP is a NCCDP Certified Alzheimer Disease and Dementia Care Trainer and Certified Dementia Practitioner. Betty is an experienced speaker known for blending her academic knowledge with reality-based day-to-day operations in the care setting. Get ready, this session is fast paced and informative.

**Social Workers:** Social Workers may use this presentation to satisfy the requirements for Wisconsin Chapter MPSW related to licensure renewal if the education to one or more of the following: Social Work practice, knowledge and skills; a field or subject area allied with and relevant to the practice of social work; theories and concepts of human behavior and the social environment; social work research, social policy and program valuation, or social work practice evaluation; social policy and program administration or management; social work ethics; and/or professional boundaries.
