Making "IT" Happen – A NIMS-Compliant Emergency Plan (and the Needed Procedures)

The purpose of this course is to show how an Emergency Plan (E-Plan), standard template, and sample Job Action Sheets may be applied to help Long Term Care (LTC)/Assisted Living (AL) facilities develop a National Incident Management System compliant (NIMS-compliant) E-Plan with supporting procedures.

We will specifically discuss:

1. E-Plan maintenance and implementation
2. Facility emergency response organization.
3. How the elements of NIMS should be addressed.
4. Scope of response actions taken by facility staff members.
5. Scope of response help from community response partners.

Learning Objectives:

1. **UNDERSTAND** the purpose of an Emergency Plan (E-Plan) and its supporting procedures.
2. **EXPLAIN** how the National Incident Management System (NIMS) expectations should be included in an E-Plan template can be organized and applied.
3. Understand how strategies may vary for rural and urban providers;
4. **APPLY** the standard procedure templates AND the set of eight Incident Management Team, Job Action Sheets (JAS) samples to support the E-Plan.

Presenters
