The Wisconsin Health Care Association and the Wisconsin Center for Assisted Living (WHCA/WiCAL) together form the Badger State’s most representative long-term care provider association, representing skilled nursing and assisted living facilities from around the state and across the care continuum. Our diverse membership includes proprietary, non-profit, and government-operated facilities, and ranges from the smallest of adult family homes to the largest of skilled nursing centers in Wisconsin. We believe this diversity is the source of our organization’s strength, effectiveness and integrity.

Our members are committed to providing the outstanding quality and compassionate care required to meet the ever-changing needs of Wisconsin’s frail elderly and disabled citizens. WHCA/WiCAL is proud of our role in representing, protecting, and advancing the interests of Wisconsin’s skilled nursing and assisted living facilities, and the residents they serve. The commitment of WHCA/WiCAL member facilities to quality is mirrored in the array of professional services and products offered by our Business Partners – individuals, firms, and organizations who are dedicated to bringing our members the latest products and professional expertise in long-term care. Our Business Partners and Member Facilities are true colleagues in care, engaging with and supporting one another. They work together, toward the common purpose of ensuring that the quality of life and care provided to assisted living and skilled nursing residents throughout the state remains a national model.

In the 2019 WHCA/WiCAL Membership Directory, you will find a complete listing of our Members, Business Partners, and the contact information for key Wisconsin government officials. The companion to this resource is available at www.whcawical.org, which offers a user-friendly vendor directory and care facility locator – resources that are constantly updated throughout the year. CareConnection, WHCA/WiCAL’s Internet-based newsletter, also offers useful news and information about the long-term care provider community at careconnection.whcawical.org.

As always, if you have any questions about long-term care in Wisconsin, please contact us using the information provided.

Sincerely,

John J. Vander Meer, MPA
President & CEO
