## 2020 Membership Directory

Your Directory To Long-Term  
Care In Wisconsin

# Welcome

The Wisconsin Health Care Association and the Wisconsin Center for Assisted Living (WHCA/WiCAL) together form the Badger State's most representative long-term care provider association, representing both skilled nursing and assisted living facilities from around the state and across the care continuum.

2020 has been a challenging year. Our members are committed to providing the outstanding quality and compassionate care required to meet the ever-changing needs of Wisconsin's frail elderly and disabled citizens in spite of the challenges. I am honored to have the opportunity to lead WHCA/WiCAL and represent Wisconsin's long-term care providers.

The commitment of WHCA/WiCAL member facilities to quality is mirrored in the array of professional services and products offered by our Business Partners – individuals, firms, and organizations who are dedicated to bringing our members the latest products and professional expertise in long-term care. Our Business Partners and Member Facilities are true colleagues in care, engaging with and supporting one another. They work together, toward the common purpose of ensuring that the quality of life and care provided to assisted living and skilled nursing residents throughout the state remains a national model.

In the 2020 WHCA/WiCAL Membership Directory, you will find a complete listing of our members and our Business Partners, who truly are our Partners in Care. For more information about our members, please visit our Care Facility Locator at [whcawical.org/facilitylocator](http://whcawical.org/facilitylocator). For more information about our Business Partners, please visit our online Business Partner Directory at [whcawical.org/businesspartnerdirectory](http://whcawical.org/businesspartnerdirectory). WHCA/WiCAL's e-newsletter, *CareConnection*, also offers useful news and information about the long-term care provider community at [whcawical.org/careconnection](http://whcawical.org/careconnection).

In these challenging times punctuated by COVID-19, regulatory changes, and reimbursement challenges, please do not hesitate to reach out WHCA/WiCAL's experienced staff.

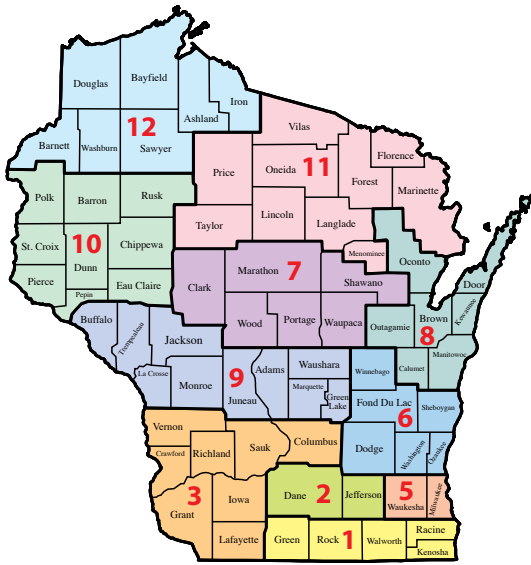

Sincerely,

William R. Abrams

# MAKE YOUR VOICE HEARD

During the upcoming legislative session, the long-term care community needs to be in a strong position to communicate to key legislators the immediate need for COVID-19 relief funding and ensure continued support for both increased Medicaid reimbursement and Family Care funding in the 2021-23 State Budget.

We could not accomplish our goals for the long-term care provider community without PAC donations from those who understand the critical importance of having skin in the game. Your generous donations are an investment in the future of long-term care in Wisconsin.

For more information visit  
[whcawical.org/pac](http://whcawical.org/pac)  
Thank you for your support!

## World-Class Expertise. Individual Attention.

## You really can have both.

Some things in our world demand compromise, but insurance and risk management shouldn't be one of them. You need an advisor who knows your business AND is connected to the best information, ideas and programs in the world. Don't settle for one or the other.

Discover the M3 difference.
