

# Anything Handheld Can Cross-Contaminate

## Everything Handheld Can Be Disinfected in 55 Seconds with *The UV BOX*

### AUVS Completes Your Hand Hygiene Program

Every handheld device your staff uses works against hand hygiene. Add AUVS' germicidal enclosure, ***The UV Box***, and disinfect items in only 55 seconds. Give your hand hygiene program the support it needs.

***The UV Box*** - Quickly becoming the standard in non-chemical disinfection of mobile devices

#### Highly Effective Disinfection Technology

- Up to 4.5 log, 99.99% disinfection rate for C. diff spores according to independent FDA consulting lab protocol and testing
- Will not damage valuable equipment
- One-button simplicity: no learning curve
- Durable: no moving parts + aluminum case protects UV chamber
- 7 Year UV lamp guarantee
- Easy lamp replacement access panel
- A green solution, producing no waste products
- Our patented technology is protecting the US Pentagon from bio-terrorism
