

Fusion's here for you in a crisis!

Long Term Care

Staff up and save the day

When you need a qualified CNA, LPN or RN to supplement your team, we have a fully vetted list of candidates ready to go. We can help staff for skilled nursing, assisted living, home health, long term care and more. We even have dedicated recruiters to ensure you're getting the best for your patients' needs. We also specialize in Critical Access Hospitals, so you can provide top-notch care in rural areas.

We're working hard to support our healthcare system in a time of need
