Specific Action Requested

The facility is requesting a variance to the requirement for resident screening for clinically apparent communicable disease including TB 90 days before or within 7 days after admission. The facility requests that the period for obtaining the resident screening be extended to the time when clinics are once again accepting residents for such screening or such screening can be obtained following admission at a physician or pracitioner office visit or when a physician or practitioner is able to visit the resident at the facility and is able to conduct the screening. Until the screening can occur, the facility will use the Wisconsin Communicable Disease/Tuberculosis Screening Questionnaire form found at www.dhs.wisconsin.gov/library/01679.htm

Steps Facility Will Implement to Ensure Resident Safety *(Failure to include this information may result in denial or delayed approval.)*

If request is for use of a restraint device, describe other alternatives attempted. *(Attach any relevant assessments.)*
