Start Your Career in Health Care!

Free Training. Free Testing. \$500 BONUS.

Start a Career, Not Just a Job.

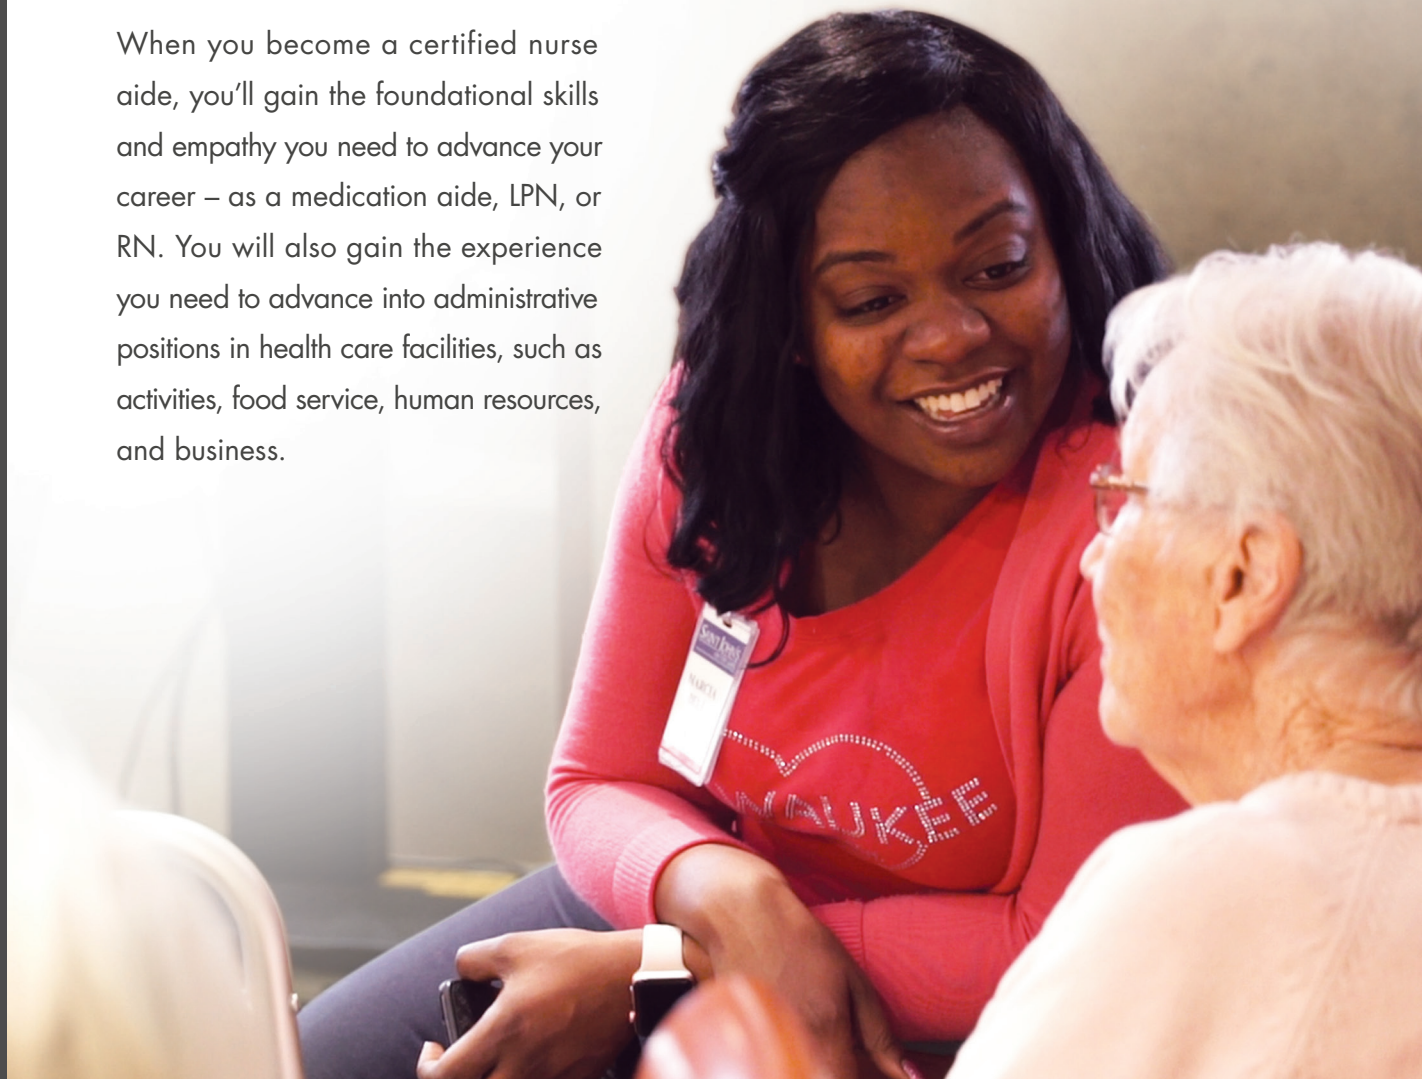

When you complete nurse aide certification through WisCaregiver Careers, you will be stepping ahead toward a fulfilling career in health care. Testing costs will either be reimbursed or paid in advance. As a certified nurse aide (CNA), you can choose flexible hours of employment at hundreds of participating facilities. You'll also have a chance to give back to community members who need you the most.

How the Program Works

- Select a participating employer and apply for a job.
- Employers coordinate your free nurse aide training.
- Successfully complete your competency testing to receive your nurse aide certification.
- Work at a participating WisCaregiver Careers nursing home and receive a \$500 sign-on or retention bonus.
- Employer map available at [WisCaregiver.com](https://www.wiscaregiver.com)

Take the Next Step in Your Life. Start Your Career in Health Care Today!

When you become a certified nurse aide, you'll gain the foundational skills and empathy you need to advance your career – as a medication aide, LPN, or RN. You will also gain the experience you need to advance into administrative positions in health care facilities, such as activities, food service, human resources, and business.

Free Training. Free Testing. \$500 BONUS.
