

Wound Treatment Associate (WTA®) Certification Program

Enroll Today
whcawical.org/wta

A Wound Ostomy Continence Nurse Society (WOCN®) sponsored program, hosted by WHCA/WiCAL and presented by RitKen & Associates.

WTA-C NURSES PROVIDE RESULTS

WTA-C nurses have a positive affect on resident outcomes. Residents who receive care from a WTA-C nurse are twice as likely to have improvement in pressure injuries, 20% more likely to have improvement in lower extremity ulcers, and 40% more likely to have improvement in wounds.

WHY CHOOSE WTA

- + Designation as Wound Treatment Associate (WTA) upon successful course completion
- + Competitive & affordable pricing, as compared similar certification programs

Pricing

\$1,700 for WHCA/WiCAL Members
\$1,850 for Non-Members

When & Where

July 26 - 27, 2023 | Location TBD

Continued Support

1 year complimentary membership to the WCON Society
